MALINGALIRO

Mkazi wanga Nicole ndi New Caledonian ndipo, motero, izo zinkatanthauza kuti ndiyenera kuphunzira kuyankhula Chifalansa ndikukhala nthawi yokwanira pamalo ake obadwira, Noumea. Ngakhale kuti New Caledonia ndiyesa kuyesa Katolika, sizinayambe ndisanazindikire kuti anthu ambiri adakumananso ndi ‘mbali yamdima’, komanso amachita chipembedzo chawo. Sizinali zachilendo kuti anthu azichezera munthu wamba, wololera kapena wothandizira popanda kumvetsa kuti kwenikweni anali kufunsira ufiti.

Ndimakumbukira kuti mkazi wanga ananditengera kukacheza ndi mtsikana wina wazaka makumi awiri yemwe adatengedwera kwa mmodzi wa ochiritsira awa, koma amene adatsitsimulidwa kale, adakhala m’nyumba ya anthu osokonezeka maganizo. Pamene ndinamudziwa kuti ndi Mkristu, ndinayankha ziwanda zomwe zidalowa mwa iye, m’dzina la Yesu Khristu. Wansembe wachikatolika anapemphera

komanso, pakati pathu, msungwana uyu adamasulidwa ndikumasulidwa ku bungwe posakhalitsa.

Ena amati chipembedzo chawo cha Katolika ndipo komabe amawonetsera ziboliboli kapena zojambulajambula za milungu ina. Panali munthu mmodzi wotero amene ndinakumana naye amene anali ndi vuto lopitirirabe m'mimba. Tsiku lina ndinamuuza kuti ndikukhulupirira kuti ngati atachotsa Buddha wamkulu, yemwe anali kutsogolo kwa nyumba yake – zonsezi zinatentha usiku – mavuto ake m'mimba amatha. Kuonjezera apo, zina mwa zinthu zomwe anazitenga kuti azipita. Iye anakana – zikanatheka bwanji kuti izi 'zakufa' zimupweteke? Patapita miyezi ingapo ndinamuonanso ndikufunsa momwe mimba yake inaliri. Nkhosa zina-mwamunayo anayankha, 'Ine potsiriza ndinatenga malangizo anu ndikumuchotsa Buddha. Mimba yanga ili bwino tsopano.'

Nthawi ina, ndinafunsidwa kuti ndipite kunyumba ya mayi ali ndi khansa. Ndisanayambe kupemphera ndi napempha kuti achotse zifaniziro za Buddha pamalo awo opuma, zomwe mwamuna wake adazichita mwamsanga. Pamene ndinam'temberera ndi kula-

mula kuti ziwanda zichoke m'dzina la Yesu, iye adalongosola kuti chimfine chimakhala chosasunthira kusunthira thupi lake kumapazi ake ndikuchoka pamutu pake.

Kotero, motsatira izi, ndinaganiza zopereka chiphunzitso pa 'matemberero' ku gulu la pemphero limene ine ndi mkazi wanga tinayambira m'nyumba yathu ya Noumea. Chiphunzitsocho chinachokera kuntchito ya Derek Prince (Derek Prince anali mphunzitsi wotchuka wa Baibulo wa zaka makumi awiri). Pamene ndinali kukonzekera uthenga wanga m'Chifalansa, ndinaphunzira kuti mawu awo otemberera anali *malédiction*, ndipo mawu awo a madalitso anali *béné-diction*. Mizu yeniyeni ya mawu awa ndi 'kulankhula koipa' ndi 'kulankhula bwino'.

Poyamba, pamene ndinafanizira kutemberera ndi kudalitsa, kutukwana kunkaoneka ngati mdima, kolemetsa komanso koopsa, ndipo madalitso anka-woneka opepuka komanso osasamala. Ndinali nditaphunzira ziphunzitso potembereredwa kale, koma sindinadalitsike – zomwe zidawathandiza kuti ndipitirize. Sindinamvepo wina akudalitsa

munthu wina ndi cholinga chenichenicho. Ndipotu, kukula kwa dalitso lachikristu kungakhale kunena, 'Akudalitseni', pamene wina akunyoza, kapena kulemba 'Madalitso' kumapeto kwa kalata kapena imelo – ngati kuti chinali chizoloŵezi osati chinthu chofuna.

Pambuyo pake, pamene ndinaganizira mawu awa, 'kutukwana' ndi 'ulemelero', zinandichitikira kuti ngati 'kulankhula zoipa' kunali kolimba, ndiye kuti 'kulankhula bwino' kungakhale kolimba ndipo, ndi Mulungu, mwinamwake wochuluka kwambiri!

Vumbulutso ili, pamodzi ndi zidziwitso zina zomwe tidzakambilane panthawi ina, ndipatseni kuti ndika-peze mphamvu ya dalitso.

MPHAMVU YATHU KULANKHULA

Sindikufuna kubwereza zomwe mabuku ambiri abwino adanena za mphamvu ya mawu athu, ndikufuna kupereka mwachidule zomwe ndikukhulupirira ndizofunika kwambiri m'dera lino.

Tikudziwa izi:

Imfa ndi moyo ziri mu mphamvu ya lilime ndi iwo amene amalikonda, adzadya chipatso chake. (Miyambo 18:21)

Mawu ali ndi mphamvu zazikulu – zabwino kapena zomangirira, kapena zoipa ndi zowonongeka. Nthawi iliyonse tikamayankhula mawu (komanso kugwiritsa ntchito mau ena, omwe amatanthauzanso mawu), timayankhula moyo kapena imfa kwa iwo omwe amatimvera komanso ife enieni. Komanso, tikudziwa kuti:

Pakamwa pamalankhula mwa kuchuluka kwa mtima. Munthu wabwino atulutsa zabwino m'chuma cabwino cha mtima wake; ndipo munthu woyipa atulutsa zoipa m'chuma coipa. (Mateyu 12:34-35)

Kotero, kuchokera mu mtima wovuta amalankhula lirime lovuta; kuchokera mumtima wodzilungamitsa, lilime lachiweruzo; mtima wosayamika, lilime lodandaula; ndi zina zotero. Mofananamo, mitima yonyansa imabala zipatso zofanana. Dziko liri wodzaza ndi kuyankhula kosayenera. Zofalitsa zimafalitsa tsiku ndi tsiku. Chikhalidwe cha umunthu kukhala chomwe chiri, ife sitimayankhula bwino kuposa anthu kapena zochitika. Izo sizikuwoneka kuti zimakhala mwachibadwa kwa ife. Nthawi zambiri timadikirira mpaka anthu afa asanawauze zabwino. Komabe, 'chuma chabwino' chimachokera ku mitima yokonda yomwe iyankhula ndi lirime lachisomo; kuchokera mu mitima yamtendere, lirime loyanjanitsa; ndi zina zotero.

Mawu akuti, 'ndipo omwe akukonda, adye chipatso chake' akusonyeza kuti tidzakolola zomwe timafesa –

kaya zabwino kapena zoipa. Mwa kulankhula kwina, mudzapeza zomwe mumanena. Mukuganiza bwanji za izi?

Izi ndi zoonza kwa anthu onse, mosasamala kanthu kuti ali ndi chikhulupiliro chachikristu kapena ayi. Akristu ndi osakhala chimodzimodzi amatha kulankhula mau a moyo – mwachitsanzo, mwina anganene kuti: ‘Mwananga, ndi nyumba yaikulu yomwe mwamanga. Mutha kukhala wokonzabwino kapena wokonzamapulani tsiku limodzi. Mwachita bwino.’

Komabe, Mkhristu wobadwanso mwatsopano ali ndi mtima watsopano. Baibulo limanena kuti ndife ‘zatsopano’ (2 Akorinto 5:17). Choncho, monga akhristu, tiyenera kukhala oyankhula bwino komanso osayenera. Titha kusokonezeka mosavuta ngati sitisamala kuti tisunge mitima ndi mawu athu. Mukangoyamba kuganizira mozama za izi, mudzadabwa kuti nthawi zambiri akhristu – ngakhale osadziwa – amatemberera okha ndi ena. Zambiri za izo mtsogolo.

KUCHOKERA KU ZABWINO KULANKHULA NDI MADALITSO: KUITANA KWATHU

Monga akhristu, ndi moyo wa Ambuye Yesu ukuyenda pakati pathu, tikhoza kupita mopitirira kungoyankhula bwino – tikhoza kulankhula ndi kupereka madalitso kwa anthu kapena mikhalidwe – ndipo ndithudi tikuitanidwa kuti tichite zimenezi. Mwina dalitso ndi kuyitana kwathu kwakukulu. Werengani izi:

Khalani okoma mtima, khalani achifundo; osabwezera choyipitsa choipa, kapena chochitira chipongwe mwachipongwe; koma mosiyana ndi dalitso, podziwa kuti mudayitanidwa, kuti mulandire madalitso. (1 Petro 3:8-9)

Tikuitanidwa kudalitsa ndi kulandira dalitso.

Chinthu choyamba chimene Mulungu analankhula kwa Adamu ndi Eva chinali dalitso:

Ndipo Mulungu anawadalitsa, ndipo Mulungu anati kwa iwo, 'Bereka ndi kuchulukitsa; mudzaze dziko lapansi, ndipo lidzatero...' (Genesis 1:28)

Mulungu anadalitsa iwo kuti akakhoze kubala zipatso. Madalitso ndi chikhumbo cha Mulungu – ndicho chimene lye amachita! Ndipo monga Mulungu – ndi kuchokera kwa Mulungu – ifenso tiri ndi mphamvu komanso mphamvu yakudalitsa ena.

Yesu adadalitsa. Chinthu chotsiriza chimene lye anachita, ngakhale pamene anali pafupi kukwera kumwamba, chinali kudalitsa ophunzira ake:

Ndipo lye anawatsogolera iwo kunja mpaka ku Betaniya, ndipo lye anakweza manja ake ndipo anawadalitsa iwo. Ndipo kudali, pamene lye adawadalitsa, adachoka kwa iwo natengedwa kupita kumwamba. (Luka 24:50-51)

Yesu ndiye chitsanzo chathu. lye anati tiyenera kuchita zinthu zomwezo zomwe lye anachita, m'dzina Lake. Tinalengedwa ndi Mulungu kuti adalitse.

KODI MDALITSO WACHIKHRISTU NDI CHIYANI?

Mu Chipangano Chakale, mawu oti 'dalitso' ndilo liwu lachihebri *barak*. Izi zimangotanthawuza, 'kulankhula zolinga za Mulungu'.

Mu Chipangano Chatsopano, mawu oti 'dalitso' ndilo liwu la Chigriki *eulogia*, kuchokera mmenemo timapeza liwu lakuti 'eulogy'. Kotero, pakuchita, izi zikutanthawuza 'kulankhula bwino' kapena 'kulankhula zolinga ndi chisomo cha Mulungu' pa munthu.

Ndilo tanthauzo la madalitso limene ndidziligwiritsa ntchito m'buku lino. Madalitso ndikulankhula zolinga kapena kukonda Mulungu pa wina kapena zina.

Mulungu, mwa mbali zambiri, mu nzeru Yake, walinalira kuti achepetse ntchito Yake padziko lapansi ku zomwe lye angakhoze kukwaniritsa kupyolera mwa

anthu Ake. Umu ndi mmene amabweretsera ufumu Wake padziko lapansi. Potero, Iye akufuna ife kuti tidalitse chifukwa cha Iye. Kotero, monga Mkristu, ndikhoza kulankhula zolinga za Mulungu kapena kukondwera ndi wina kapena zinthu zina m'dzina la Yesu. Ngati ndichita izi ndi chikhulupiriro ndi chikondi, ndiye kuti ndili ndi mphamvu zakumwamba pambuyo pa zomwe ndimanena, ndipo ndikuyembekeza kuti Mulungu adzasintha kuti asinthe zinthu kuchokera kumene ali, kumene akufuna kuti azikhala. Pamene ndikudalitsa wina mwachangu, ndi chikondi ndi chikhulupiriro, ndimamulola Mulungu kuti akonze zolinga zake kwa munthu ameneyo.

Komabe, wina angakonze zolinga za satana pa wina, kapena ngakhale mwiniwake, zomwe zimapangitsa mphamvu zamademoni kukonzekera zolinga zawo za munthu ameneyo – kutanthauza, kuba, kupha ndi kuwononga. Koma tamandani Mulungu,

*Iye amene ali mwa inu ndi wamkulu kuposa iye
amene ali mdziko lapansi (1 Yohane 4:4).*

Ndi mtima weniweni wa Mulungu kudalitsa – ndithudi

chikhalidwe chake! Chikhumbo cha Mulungu chodalitsa ndicho chodabwitsa kwambiri. Palibe chimene chingamuletse Iye. Iye watsimikiza kudalitsa anthu. Chikhumbo chake ndi chakuti Yesu adzakhala ndi abale ndi alongo ambiri. Ndife! Komabe, ngakhale ndi mtima weniweni wa Mulungu kuti adalitse anthu, Amafuna kwambiri kuti anthu Ake adalitsirane.

Tikadalitsa m'dzina la Yesu, Mzimu Woyera amabwera chifukwa tikuwonetsa chinthu chimene Atate akuchita – tikuyankhula mawu omwe Atate amafuna kuti atchulidwe. Ndimadabwa kwambiri kuti izi ndi zoonā. Pamene ndikudalitsa wina, Mzimu Woyera umakhudzidwa – Amakhudza munthu wina, chikondi chimamasulidwa ndipo zinthu zimasinthā. Kawirikawiri anthu amandikumbatira pambuyo pake, kapena amalira ndikunena, 'Simudziwa kuti ndi nthawi yake komanso yamphamvu bwanji,' kapena 'Simudziwa kuti ndifunika bwanji.'

Koma apa pali chinthu chofunikira kwambiri kuti tizindikire: Timadalitsa kuchokera pamalo apamtima ndi Mulungu, kuchokera pa Kukhalapo Kwake. Kuyandikira kwathu kwauzimu ndi Mulungu ndiko-

ULAMULIRO WATHU WAUZIMU

Mu Chipangano Chakale, ansebe adayenera kupembedzera anthu ndi kudalitsa madalitso awo.

*Umu ndi momwe mudzadalitsire ana alsraeli.
Auzeni kuti:*

*Ambuye akudalitseni ndikusungani inu;
Ambuye apangitse nkhope Yake kukuwunikire,
ndikuchitireni chifundo.
Ambuye akweze nkhope yake pa inu,
ndikupatseni mtendere.*

*Potero adzaika dzina langa pa ana a Israyeli,
ndipo ndidzawadalitsa. (Numeri 6:23-27)*

Mu Chipangano Chatsopano, ife monga Akhristu timatchedwa:

Mbadwo wosankhidwa, unsembe wachifumu, mtundu woyera, anthu ake apadera, kuti inu mulemekeze matamando a lye amene anakuitanani inu kuchoka mu mdima kulowa mukuwawala kwake kodabwitsa. (1 Petro 2:9)

Ndipo Yesu:

...watipanga ife mafumu ndi ansembe kwa Mulungu wake ndi Atate... (Chivumbulutso 1:6)

Nthawi ina kale, ndimakhala ku Ouen Toro, komwe ndikuyang'ana ku Noumea, kufunafuna uthenga kuti ndibweretse gulu la pemphero. Ndinamva Mulungu akunena kuti, 'Simudziwa kuti ndiwe ndani.' Kenaka miyezi ingapo pambuyo pake: 'Ngati iwe ukanadziwa ulamuliro umene uli nawo mwa Khristu Yesu iwe ukasintha dziko lapansi.' Mauwa onsewa anali magulu ena a anthu koma, ndinazindikiranso pambuyo pake, iwo anali a ine.

Ndikuganiza kuti nthawi zambiri amadziwika m'magulu achikhristu omwe amalankhula ndi matenda kapena chikhalidwe (a 'mountain' – Marko

11:23) ndipo kulamula machiritso kumapindulitsa kuposa kumupempha Mulungu kuti achite (Mateyu 10:8; 16:17-18). Izi zakhala zondichitikira ndi zomwe zinachitikira anthu ena odziwika bwino komanso olemkezeka omwe amagwira ntchito komanso opambana mu utumiki wamachiritso ndi wopulumutsa. Ndikukhulupirira kuti Yesu akunena kuti, 'Mukuchiritsa odwala (m'dzina langa). Si ntchito yanga, ndi ntchito yanu. Inu mumachita izo.'

Mulungu akufuna kuchiza ndipo lye akufuna kuti achite izi kudzera mwa ife. Mulungu akufuna kupulumutsa ndipo lye akufuna kuti achite izo kudzera mwa ife. Mulungu akufuna kudalitsa ndipo lye akufuna kuti achite izo kudzera mwa ife. Titha kupempha Mulungu kuti adalitse, kapena tikhoza kudalitsa m'dzina la Yesu.

Zaka zingapo zapitazo, ndikukumbukira kutenga nthawi kuti ndipite kukagwira ntchito kudalitsa bizi-nesi yanga. Ndinayamba ndi, 'Mulungu, dalitsani Colmar Brunton.' Kenaka ndinasintha – poyamba ndi kuchita manyazi – kuchokera ku 'Mulungu adalitse Colmar Brunton' kuti:

Madalitso Ambiri Athu

Kodi mumadziwa ndimeyi: 'Mtima wokondwa umachita zabwino, ngati mankhwala' (Miyambo

17:22)? Baibulo likuyankhula kuti matupi athu amayankha ndi mawu abwino ndi malingaliro:

Ndikudalitsa thupi langa. Lero ndimaphwanya zofooka kwa ine ndekha. Ndikudalitsa thanzi langa labwino.

Nthawi ina ndinkangowonera vidiyo yokhudza munthu yemwe anali ndi vuto lalikulu la mtima. Kudutsa kwake kunali kutatsekedwa. Anadalitsa mitsempha yake kwa miyezi itatu, kuwauza iwo kuti apangidwe mochititsa mantha komanso modabwitsa. Atabwerera kwa dokotala, anapeza kuti anali atadutsa modabwitsa!

Ndinaganiza kuti ndikuyesera izi khungu langa. Ndinali ndi vuto la kuwonongeka kwa dzuwa kuyambira ndili mwana. Izi zinati, ndinayamba kuyesera kochepa – tsiku lililonse ndimadzuka, ndikudalitsa gawo la thupi langa, zikomo chifukwa cha ntchito yake; Chitamandeni chifukwa cha ntchito yabwino. Ndikuyamika zala zanga chifukwa cha zovuta zawo, chifukwa ali ndi luso lochita ntchito zonse zofunika ndi zina.
